Re: Utah Business Coalition Business Champion Award

Dear Senator Hillyard,

The Utah Business Coalition was formally organized in June of 2014 to protect and promote business friendly policies and candidates throughout the state of Utah. The Coalition is made up of 34 businesses and business associations across a broad spectrum of the economy. Our members represent the most politically active businesses and business associations on Utah's Capitol Hill.

Each legislative election cycle, the Coalition intends to recognize "Business Champions" that have not only supported business friendly legislation through their voting record, but that have demonstrated a proactive desire to enhance the business climate in the State of Utah. This year the Coalition identified 42 legislators that we believe are true "Business Champions".

We are happy to announce that the Coalition has identified you as one of the 42 Business Champions. The Coalition is organizing an event on **Wednesday, October 15, 2014, at 7:30 a.m. at the Little America Hotel** to award and recognize this year's "Business Champions". We hope you will be able to join us and receive your award.

Please RSVP to Teresa Thomas via email at teresa@umaweb.org or call Teresa at (801) 363-3885 and let us know if you will be able to join us at the awards breakfast on October 15th.

Thank you for your service in the Legislature and for being a Champion of Business.

Sincerely,

Dave Davis
President, Utah Food Industry Assoc.
